

## Police Capture Assault Suspects After Chase Through City

Two Indiana guardsmen, suspected of assault in a Grayling bar, led local law enforcement officers on a wild chase through Grayling before finally getting boxed in by patrol cars in the parking lot of the county building.

The pair allegedly were involved in a fight at a downtown bar and then allegedly assaulted a Crawford County Sheriff officer investigating the fight. The two then reportedly fled down Michigan Avenue, into Clough's subdivision, and back into town.

At one point in the chase, a patrol car trying to stop the suspects was forced onto a private lawn, tearing it up. Both Grayling City Police and Crawford County Sheriff deputies were involved in the chase. One patrol car was reported damaged.

The suspects were charged with fleeing and eluding, assaulting a police officer, resisting arrest, reckless driving, and possibly more charges. The incident started about 2 a.m. Sunday morning.

In other police news, the Mt. Hope Lutheran Church on Old U.S. 27 North was broken into Sunday, July 18. Entry was made through a window.

David Kovac, 31, of Grosse Isle, was seriously injured Saturday at 8:27 p.m. near McMasters Bridge when a vehicle he was driving went off a sharp curve and rolled over several times. He was taken to Mercy Hospital by the Crawford County Ambulance Corps and transferred to Munson in Traverse City with reported head fractures, broken ribs, and a broken hip. Claudia Kovac, 25, also in the car, reported no serious injuries.

A 28-year old Prudenville man was arrested attempting to steal a military jeep from Camp Grayling on July 24. Military Police caught the suspect in motor pool area number 5 at the camp.

Eight breaking and enterings were reported in the area of Greenwood and Flora Pinewood sites in Grayling Twp. last weekend. Sheriff officers have juvenile suspects in the breaking and enterings.

For the week of July 19-25 the Crawford Co. Ambulance Corps made 22 calls, several for military personnel and transfers to other hospitals.

## Park to Remain Open

### Play and Gym Show to End Recreation Program at Hanson Park

The organized summer recreation program sponsored by Hanson Park for area youth will come to an end this weekend with a play and a gym show scheduled to end the program. The play, an episode from the popular television series, "The Facts of Life" will be presented by the Kid's Theatre class at 8:00 p.m. on Friday, July 30 in the Grayling Archery Club which is located at the park. Admission to the play is \$1.00 with all proceeds going to Hanson Park for future improvements and to help offset the cost incurred by the summer program.

On Saturday evening, July 31, the gymnastics classes will present a gym show. The gym show will also be held in the Grayling Archery Club, beginning at 8:00 p.m. Admission is \$1.00 with the proceeds going to Hanson Park.

The closing of the summer recreation program does not mean that there will be no activities at Hanson Park for the remainder of the summer. The park will continue to operate on a 12 hour a day basis, seven days a week. Included in the activities at Hanson Park are canoes, pedal boats, horse-shoes, volleyball, basketball, softball diamonds, a Chucker golf course, a gold driving range and miles of hiking and nature trails. All members of the community are encouraged to visit Hanson Park and enjoy those things which the park has to offer. Usage of the park is growing daily and plans are that in the future, more activities will be added to the complex. Facilities at Hanson Park are also available for group meetings and outings.

## Students, Parents Asked To Participate In Hiring of New GHS Principal

The Crawford AuSable School District would like to invite students of Grayling High School and parents of Grayling High School students to participate in the selection process for hiring the new principal for Grayling High School. Each final candidate for the position will be interviewed in three stages on Wednesday, August 11, 1982. The first stage will involve an interview with a committee of students, staff and parents. The second stage will involve an interview with a committee of administrators and members of the Board of Education. These two committees will be charged with the responsibility of assessing strengths and weaknesses of each candidate to provide input for the super-

## Kent Reynolds Named C-A Superintendent

by Jon Thompson

Kent Reynolds, Grayling High School principal since 1973, has been named superintendent of Crawford AuSable schools beginning Aug. 1.

In a unanimous vote July 22, the school board signed Reynolds to a three-year contract to replace Bill Diederich, who became the new superintendent at a large school district in California.

Kathleen Burkley, president of the school board, said the board's first priority in looking for a new superintendent was in

curriculum.

"We are beginning to rebuild our program to previous levels and are most interested in completing curriculum development and articulation," she said.

In addition she said the board was interested in someone to continue to improve the management system of the district as well as possess skills in finance, negotiations, personnel evaluation, and public relations.

"The Board of Education interviewed a number of candidates that were strong

in many areas," Burkley said. "We have selected the most qualified candidate."

Reynolds, who will be completing the doctoral program in school administration at the University of Michigan soon, said his highest priority will be curriculum.

"We can't allow any of our programs to skip a beat," he said.

One of his first tasks as superintendent will be working with the board to select a new high school principal to take his place. He said he expects a new principal to be named by Aug. 16.

Before Reynolds assumes the superintendent position Aug. 1, he will be completing plans at the high school in preparation for 1982-83.

In addition to his role as GHS principal, in the past few years Reynolds has also served on the curriculum committee of the Mich. Assoc. of Secondary Schools Principals and was appointed chairman this year; served as a representative from the MASSP to the Mich. Dept. of Education Task Force on Program Criteria, and acted as the liaison between MASSP and the Mich. Dept. of Ed. in the Life Role Competencies Program.

## Young Americans Impressive Again

The American Musical Theatre's "Young Americans" continued to impress their Grayling-area audience on Monday evening, when they presented "Grease", the second of their four-performance run this summer.

On Monday, August 2, "The Young Americans" will return to perform "The Pirates of Penzance." This Gilbert and Sullivan light-opera comedy is currently enjoying success in New York City, where its cast has included such stars as Linda Ronstadt, Robbie Benson, and Rex Smith.

"The Young Americans" complete their season in Grayling on August 9, when they present Meredith

Willson's "The Music Man." The actors appearing in this timeless classic of the musical theatre will include the same young people who delighted the audience in the season opener, "To Richard Rodgers, With Love." In addition, Grayling theatre student Larry Goodale will be performing one of the main characters in "Music Man."

Tickets for the two remaining performances are \$8.00 each. They can be purchased at the box office, located at 403 Michigan Avenue or by calling 348-7641 between 8:00 a.m. and 4:00 p.m., Monday through Friday. All performances begin at 8:00 p.m. in the Grayling High School Auditorium.

## Gaines, Yoder Win NNB 6.2 Mile Race

Scott Gaines, of Burt, won his third straight Northern National Bank Milltown 10K race clipping 8 seconds off the course record he set in 1980. He raced to a 33 minute and 39 second time despite hot weather.

Larry Yoder, of Grayling, was the first Crawford County runner to finish taking the title in 39:43. Yoder was the only local racer to finish under 40 minutes. One hundred and eighteen runners finished in the 80 degree Fahrenheit temperature. Thirty two runners from Grayling and Frederic raced.

Barb Wade, of Grayling, was the first Crawford County woman to finish. She came in at 47:07. Cathy

Stachecki, of Detroit, won the woman's division with a 39:10.

Geoffery Stancil, of Grayling, won the 19-24 age division with a time of 40:16. Karen Reynolds won the 16-18 division woman's division with a 57:19.

Tom Newman, of Grayling, took second place in the 37-39 age division with a 40:34. Jim Gardiner, of Grayling, took second in the 19-24 age division with a 40:52. Jon Nicholas took second in the 13-15 age group with a 43:52. Mike Smith took second in the 200-220 lb. weight division with a 49:38.

Steve Clark, of Frederic, took third place in the 19-24 age group with a 42:19. Dan Ullery, of Grayling, took third in the 25-29 age group with a 43:15. Bob Sprague, of Frederic, took third in the 16-18 group with a 44:02. Mike Wieland took third in the 220-plus weight division with a 57:19.

A complete listing of results will be published in next week's issue.

## Co. Telephone System: Right or Wrong Number?

by Jon Thompson

Present your case. Quickly please, our readers wait.

**Facts:** New GTD-120 telephone system installed November, 1981, at county courthouse. Cost - \$648.22 a month over ten years for total of \$77,786. Two installment charges of \$1,650 and \$1,269.

**Pro:** County owns system after 10 years. Better than renting equipment for ten years subject to price increases and owning nothing after ten years.

**Con:** System could be obsolete in ten years. Too much money to spend. Shouldn't be locked into ten-year contract.

**Pro:** System provides better service. 1) With old system, one call to a dept. tied up all lines in that dept. New system, for example, allows Clerk's office and Equalization office to use all four of their lines at one quadrupling ability to deliver service.

2) Calls can be transferred between depts. with new system. Persons calling long distance before had to hang up and call again if they called the wrong dept. or needed to be transferred.

3) With old system, Clerk's office received 70 percent of calls. Many persons do not know which county dept. to call for information. Clerk's office had to screen calls and give correct number to another dept. or walk to other dept. to have that dept. personnel come to clerk's phone. With new system, operator screens calls and routes calls to right dept.

**Con:** If someone calls long distance or local to the wrong dept., should the county spend money to correct the mistake?

**Pro:** New system saves on monthly long distance charges. Estimated savings in March, according to a GTE study, was \$195 on long distance charges. Overall, the total cost of the new system, including the monthly payment, was \$2128 for March. GTE estimates the old system would have cost \$2223 for March. Monthly savings with new system for March equals \$95.\*

**Con:** Include the yearly salary and fringe benefits of more than \$9000 to hire a person to operate the new system and there's no

savings. If the new system saved an average of \$20 a month as GTE estimated when they installed it, that would come to about \$2400 for ten years. The installation charges of \$2,919 are more than that. So the new system will cost at least \$9000 more a year for the cost of a telephone operator.

**Pro:** The new operator does more than answer the phone. She's a receptionist, a secretary for the county commissioners, she handles all the county mailing, and she has helped out in the county clerk and treasurer offices.

**Con:** The costs of a substitute operator have to be added as well. When the operator is sick, on leave, in the restroom, or on coffee break, someone else - possibly earning higher wages - has to watch the switchboard.

**Pro:** Similar systems provide economical, efficient service to Grayling Mercy Hospital, Grayling State Bank, Camp Grayling, Weyerhaeuser, and Otsego County.

**Con:** Some county depts. did not want the new system and some are not using the WATS and FX lines properly and wasting money.

**Pro:** The misuses are being reduced. That is another advantage of the new system. Phones can be restricted.

**Summaries —**

**Con:** Regardless of the cost or savings of the new system, the county will have to pay at least \$90,000 over the next ten years for a telephone operator to run the new system. That \$90,000 could have been used in other depts. or returned to the taxpayer.

**Pro:** The new system will save on monthly phone bills and at the end of ten years we will own the system instead of renting for ten years and having nothing. The extra costs of a telephone operator are offset by the greater service the new system provides and the wide range of other duties performed by the operator.

\* (Note: Comparing telephone costs for 1981 before the system was installed with 1982 after the new system was installed can See Telephone on Page 10

## Butch & Brett Stockton Win AuSable Canoe Race

by Jon Thompson

Brett Stockton, at 19, became the youngest racer ever to win the AuSable River canoe marathon last weekend when he and his uncle, Butch Stockton, finished the 240-mile race in 14 hours, 38 minutes, and 27 seconds.

Their winning time was only eight minutes and 26 seconds off the record time set in 1980 and was the second fastest time ever. The Stocktons traded the lead with veteran John Baker and his young partner Tony Short for the first three hours of the race. Then below Parmalee Bridge, the Stocktons opened the distance between the two teams and they held on. Baker, a four-time winner of the marathon, and Short, just 18,

finished at 14 hours, 43 minutes, and 28 seconds - five minutes behind the Stocktons.

Butch Stockton, racing in his tenth marathon let himself admit it looked like they were going to win then when they hit Foote Dam, the last portage before the finish. But he said both of them were confident the entire race.

For Butch, 33, capturing his first marathon title after three thirds and three fourths, the difference this year was cutting out other commitments.

"Before I was always so involved in organizing the race, getting sponsors for out-of-state racers, putting on the banquet, I would get sick during the race from being tense," he said. "Last

year I didn't race at all and this year I just came to paddle. It was a big difference and a big relief not worrying about all those other things before the race."

He said he was in better shape this year and he and Brett were paddling well together.

Brett became the youngest racer to win the marathon by a few months beating out Ralph Sawyer, an eight-time winner of the race, who also won when he was 19.

Brett finished second last year and had a third and fourth before. His uncle Butch and many others feel there will be plenty more titles for the young Grayling paddler.

"The kid's got a lot of potential," Butch Stockton See Marathon on Page 18

### Resigns as Museum Dir.

It is difficult to give up on a project that I have loved and enjoyed working on for eleven years.

Looking over the minutes of 1971 and later meetings about planning a historical museum for Crawford County I often wonder what happened to some of the enthusiastic people who attended those meetings and are still around town.

To the people of Crawford County it was YOUR museum that a few people put together.

I know that the 1972 Centennial Committee gave any profit it made to the historical museum project. The money has been very carefully used by the historical committee. The committee has been very thankful to the residents, business places and organizations of Crawford County for your financial and memorial support. I might say here: Orchids to those people who gave their fine support.

I am giving notice to the Crawford County Commissioners and other organizations that I will be through as the Curator and Director of YOUR Crawford County Historical Museum in September of 1982.

By doing so at this time it will allow more time to look for someone to replace me.

It is my hope that some organization, governing body or group will take YOUR Crawford County Historical Museum under its wing for future support.

If I have made any enemies during the years that I took charge of YOUR Crawford County Historical Museum as a volunteer I am sorry, but I could care less. The many friendships and new acquaintances that I made offset them in many ways.

One cannot praise enough the Retired Senior Volunteer Program, the wonderful R.S.V.P. office help past and present and others who helped to keep YOUR Crawford County Historical Museum operating.

I would like to thank the people past and present who served on YOUR Crawford County Historical Museum Advisory Board.

To the people of Crawford County it is YOUR museum and project that was started in 1971. All the work and care has been done by volunteers whose only remuneration was the satisfaction that a job had been well done.

Please support YOUR Crawford County Historical Museum in the Future.

See you at the museum.

## From Our Corner ...

After two sunshiny days last Friday and Saturday, overcast skies greeted Grayling for its 9th annual Milltown Festival parade Sunday afternoon at 2:30...everything went smooth and the Festival was considered a huge success by the committee who headed the activities...the town really bustled with sidewalk exhibits and sales, an art exhibit at the Grayling State Bank showed off the talents of many...of course what's a Festival without a Carnival...that too seemed to be busy with the younger set...the music of the 38th Infantry Division band kicked off the weekend activities with a concert Friday morning that was well attended...skies cleared somewhat by parade time to make the 1982 Milltown Festival parade one of the best in recent years to climax this year's activities...all in all Milltown 82 was a huge success...

An idle thought...we haven't seen our old friend, Irvin, the retired railroad man recently, and we didn't get any guff from when we wrote that he was spending all of his time at the golf course...he hollered at us one day from his car, probably heading for the greens again, and mentioned something like, we'll be in to see you one of these days...I don't know how to take it, is it a threat or a promise...anyway we have saved a buck for the past few weeks...

Another idle thought...the primary election must be getting really close (Aug. 10th) with the amount of mail from politicians that we are receiving, it is out numbering the normal bills we receive...

Our bride and I had a real nice vantage point to watch the canoe marathon...we were invited down to Arnie and Bernie Mauren's green acres on the AuSable Friday night...the racers are just about getting up steam when they pass there, and they go by faster than you can imagine...all work, their muscles strain as they go by...while we were down there we had the pleasure of seeing Col. Barney Dukes and his lovely wife, Mary, of Indiana, another time...Barney has been coming up here with Indiana Guard for many years...Arnie, Chief of the Shoppenagon's Hotel has possibly one of the best views for the race there is...there are two bends in the river upstream so one can watch them coming before they arrive in front of their home...it was an ideal evening for the race, except we got chewed by a few mosquitos...but then, this is summer and you can expect them...that's one thing we don't have in the winter...

We can't understand that we haven't heard from Jack Pine this past week...he must be accepting defeat in the number of years of the Milltown Festival...or he is laying in the weeds trying to come up with something to lambaste us...he is qualified...we don't like to pass out roses to one of our tormentors, but we were remiss last week that we didn't write that Jack Mason was the author of the book "The First 100 Years", for that he deserves credit...and to you old Pine Stump, we're not trying to apologize for what we wrote last week...we hope to set you straight on the years of the Milltown Festival...

Ol' Irvin will do most anything to get in a parade...we couldn't believe our eyes when he came by driving the car with Penrod's Canoe on the back...especially when he should have been on the course practicing...

Monday we had lunch with our nephew, Brooks Madsen and wife Carol, Brooks is a Professor at the University of Central Florida...the reason we mention this, is that they came down from Gaylord to play some golf, and naturally that gave Thelma a reason to burn a day and went to the links with them...she mentioned she had missed Saturday due to me, so this way she could make up that day and not feel guilty for taking the day off...

This takes care of this turkey for this week, goodnight T.J., Stefany and Amber...and to all our readers have a nice weekend, summer is getting short...

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

### 23 Years Ago July 30, 1959

Mrs. Ernest Borchers entertained last Thursday with a family dinner at Canoein, celebrating her son, Don's birthday anniversary. About 15 guests were in the party.

Mr. and Mrs. Carl Sederhold of Detroit visited at the Wesley Kumpula home over the weekend, and took home their daughter Jean who had been the Kumpula's guest for two weeks.

Miss Nancy Knibbs was ten years old July 22nd, and to celebrate the event she invited sixteen friends for supper, which included the traditional ice cream and cake. This was followed by a scavenger hunt, the winners being Janet Hubbell, Gretchen Henig and Danny Kleiss. Nancy received many lovely gifts for her birthday.

The Misses Jan, Gretchen and Candace Henig left Tuesday for Lansing, to spend the rest of the week with their grandparents, Mr. and Mrs. H.E. Farrington.

Dr. and Mrs. Paul Dosch and family visited Mrs. Dosch's parents, Mr. and Mrs. Ben Loetz at Allenville, just across the Straits, weekend before last.

Guests of Mrs. Don Jansen Wednesday of last week were Mrs. Richard Scott, Mrs. John Csutora and son, Guy, and the ladies mother, Mrs. Webster Hall, all of Saginaw, who were on vacation at Houghton Lake. The Jansen's son, David, spent last week in Saginaw visiting Mr. and Mrs. Allen Frost and family.

Mr. and Mrs. Wm. D. Sloan are the parents of a daughter, Mary Rita, born to them July 28th. The young lady weighed 6 lbs. 8 1/2 ozs. Her grandparents are Mr. and Mrs. Leonard Bedard of Detroit, and Mr. and Mrs. Claude Sloan of Lake Margrethe.

Mr. and Mrs. Jake Helsel are happy to announce their daughter's arrival on July 24. Debra Lou weighed in at 7 lbs. 12 ozs.

Mr. and Mrs. Jack Trudgeon and children attended the baptism of their niece, Maureen Savoie at Pewamo on July 19th. The Trudgeons were named the baby's godparents. They visited Mrs. Trudgeon's brother and family, the William Savoies, and also went on to Lansing to see some cousins, Mr. and Mrs. Dave Turpin and family that weekend.

### 69 Years Ago July 31, 1913

Grayling baseball team took two games Saturday and Sunday from the Saginaw Nationals. Saturday, 9-1; Sunday, 6-1.

Born to Mr. and Mrs. Lloyd Gierke on Thursday, July 24, a fine boy.

A card received from Rev. Kjolhede says that he will leave Denmark on the 16th of August and will be here to preach on Sunday, the 31st.

Mrs. Oscar Hanson is entertaining her mother, Mrs. Smith, of Marlette.

About 50 ladies responded to the invitation of Mrs. M.A. Bates for Tuesday afternoon to a sewing and card party in honor of Mrs. Benjamin Jerome, of Grand Rapids.

Henry Stevens of Waters was shaking hands with friends here yesterday. He was on his way home from a sojourn in Europe and South America.

Mrs. J.H. Wingard is in Detroit this week visiting her daughter, Miss Francella.

Master Jack Marshall, son of Mr. and Mrs. E.J. Marshall of Toledo, Ohio, entertained eighteen little folks Friday, July 25, at Camp Wa-Wa-Sum on the AuSable river. A fine luncheon was served by Mrs. Marshall, also ice cream. The little ones received toys as souvenirs in memory of the occasion and all were happy as larks.

Miss Camilla Fischer has left the Sorenson Bros. store and will take a three months vacation after which she will resume her duties there.

Born to Mr. and Mrs. Frank Ahman on Sunday, July 27, a little daughter.

A fine baby girl was born to Mr. and Mrs. August Engel of Sigbee on July 22.

Helen Ziebell celebrated her birthday yesterday by inviting in a few little friends to spend the afternoon with her.

Esbern Olson and wife and the Misses Wilda and Bessie Failing attended the Spraks Bros. circus at Gaylord Monday.

H. Joseph left Saturday for Cleveland and New York to purchase the fall stock of goods for the Grayling Mercantile Co. He was accompanied by his daughter, Miss Martha.

### 69 Years Ago July 30, 1913

Weekend guests of Miss Jean Michelson and brother John were Miss Florence Ridley and Richard Morgan, of Detroit.

The Misses Eva Mae Bugby and Helen May, accompanied by Lee Perrigo and George Daniels, spent Sunday in Harbor Springs.

Mr. and Mrs. Henry Stephan, Jr. (Eva Smith) are happy over the arrival of a son, Thursday, July 23, at Mercy Hospital. He will be known as Henry James.

An item in the Detroit Times telling of Miss Mary Molm of Port Huron being chosen as "Lady of the Lake" says her parents reside in Grayling. The young lady will reign over the third annual Blue Water Carnival to be held at Port Huron August 6, 7 and 8. Her photograph in connection with the article shows her to be a real beauty. She is 22 years old.

Miss Anna Nielsen has returned to Grand Rapids after spending her vacation at the parental home. She was accompanied by Patricia Hewitt, who is visiting relatives.

H.O. Buelteman and family of Detroit are enjoying their new log cottage at Lake Margrethe. They razed their old cottage and built a beautiful air-lok log structure in its place. The Buelteman family have been coming to Grayling for their summers for years.

A card received from Miss Margrethe Hemmingsen mailed at Oslo, Norway, says she is having a wonderful trip. She writes that she and Robert Herbison would be going to Stockholm, Sweden, the next day and then back to Denmark. Miss Margrethe, together with Mrs. Olga Boeson and grandson Robert Herbison, are enjoying a European trip, expecting to return early in August.

## The Bible Speaks

From Calvary Baptist Church

### Sanctification and Predestination

Romans 8:29-31

Predestination is a Bible doctrine ignored, denied or discredited in most churches. Even when the word is used it is often preached against or explained away. All saints have been predestinated from eternity past into salvation in eternity future. "According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love: Having predestinated us unto the adoption of children by Jesus Christ to himself, according to his good pleasure which he hath purposed in himself." Eph. 1:9.

God had a plan and purpose in our predestination: "For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the first born among many brethren." Romans 8:29. God's foreknowledge here speaks of His intimate relationship with us from eternity past. God saved us for the purpose of conforming us to the image of His Son Jesus Christ. God plans to mold us into the image of Jesus Christ. While predestination assures us of God's success in the future, it should motivate us to more yielded surrender to the control of the Holy Spirit now.

Not only should we be concerned about holy lives, but we should be concerned about soul-winning. We were predestinated to "be the first born among many brethren." God has commanded us to preach the gospel to every creature.

Once God has called us by His grace and justified us through the finished work of His Son, then we can see the overall plan of God beginning in our predestination and reaching unto our glorification at the return of our Lord. "Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified." Romans 8:30. Our eternal salvation is already complete in the mind of God.

"What shall we then say to these things? If God be for us, who can be against us? He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things?" Romans 8:31, 32. My friend, God has planned our salvation from eternity. He has paid the terrible price with the shed blood of His Son, there is no opposing force in the universe which will cause God to abandon His purpose in our salvation and sanctification, we are secure. (adv.)

Pastor Barnett

**Ruppe Names County Chairman**

Former U.S. Congressman and candidate for the U.S. Senate Phil Ruppe has named veteran Republican activist Joe Wakeley to head his Crawford County campaign effort.

"I am very pleased to have Joe Wakeley as chairman of my Crawford County campaign effort. His outstanding Republican leadership will be a vital asset to my campaign in Crawford County," Ruppe said.

Wakeley has been active in the Republican party for ten years and has worked on Ruppe's past campaigns for the U.S. House of Representatives. He has served as Chairman and Finance Chairman of the Crawford County Republican Party.

"I am very glad that Phil Ruppe is running for U.S. Senator. The whole aim of our effort will be to show the people of the area that Phil Ruppe can do more for the people of Michigan," Wakeley said.

Ruppe served as U.S. Congressman for Michigan's 11th District from 1967 until 1979, when he retired undefeated. During his tenure in Congress, the 11th District received more than a dollar back for every tax dollar sent to Washington. Michigan currently receives less than 70 cents for every tax dollar paid.

Wakeley and his wife Terri reside in Grayling and have one daughter.

**Star Performer**

The buffalo gourd, a distant relative of the pumpkin known to the Indians for ten thousand years, may be a star performer in the 1980s.

The seeds from this baseball-sized fruit provide a rich source of protein powder and cooking oil, the roots yield a starch with many potential industrial uses, and the leaves and vines may produce ethanol for fuel.

# Sheltrown Candidate For 36th District

Dale E. Sheltrown, of West Branch, has filed for the State Senate in the newly formed 36th District.

Sheltrown, 41, has been a lifelong resident of Ogemaw County and is a graduate of Michigan State University with a bachelor of science degree in agriculture.

Sheltrown has been very involved in state and local government serving as an Ogemaw County Commissioner for eight years. He is a former chairman of the Ogemaw Soil Conservation District, and is presently involved on a three-county mental health and substance abuse board.

In addition, Sheltrown is a member of the State Commission on Services to the Aging, an influential Board which appropriates money

for aging programs through the entire state. He was appointed by the Governor in 1980 to lend his expertise to the Commission. Sheltrown has been a Board member of the Region VII Area Agency on Aging and has served on his local aging board for eight years. In addition, Sheltrown was appointed as a delegate to the 1981 White House Conference on Aging by U.S. Congressman Don Albosta.

Among the important issues surrounding the 36th District race, Sheltrown sees property tax reform, alter-

native methods of school financing, employment opportunities and the needs of senior citizens in northern, rural Michigan as primary.

At the present time, Sheltrown shares a partnership in an Ogemaw County real estate firm. He was a dairy farmer for ten years and a sales manager for a farm equipment dealership.

## IN MEMORIAM

In loving memory of our mother, Bertha Dannenberg who passed away 1 year ago July 27, 1981. From our happy home and circle God has taken one we love, borne away from sin and sorrow to a better home above.

## Editor's Mailbox

July 26, 1982

Dear Editor:

I would like to clarify for my constituents in the 10th District any misunderstanding they may have regarding my voting record in Congress which has been falsely stated by my opponent in the literature he has been distributing.

My opponent alleges that I voted for a bill containing a \$75 per day tax deduction for Members of Congress. In fact, the black lung benefits bill containing an amendment providing for the Congressional tax deduction was passed by the House on a voice vote. I was not present on the House Floor at that time and only a few members of the House were present. Subsequently, I introduced HR5808 on March 9, 1982 to repeal the tax deduc-

tion and later voted against increasing deductions for Members of Congress on two recorded votes.

In the same brochure, my opponent alleges that I do not support a Constitutional amendment to require Congress to balance the federal budget except in wartime. That too is a misstatement of fact. I have always supported a balanced budget and am a cosponsor of H.J. Res. 350, the Jenkins-Conable balanced budget amendment.

If anyone has questions regarding my voting record, please write to me or contact one of my three District Offices (Midland, Traverse City, Owosso) and get the facts rather than rely on malicious misstatements of the facts by my opponent.

Sincerely,  
Don Albosta  
Member of Congress

**NOTICE OF HEARING**

Notice is hereby given that a petition signed by freeholders of real estate within the 2nd Addition of Portage Lake Park, Grayling Township, Crawford County, Michigan was filed with the Board of Crawford County Road Commissioners for vacation of 12 foot alleys described as follows:

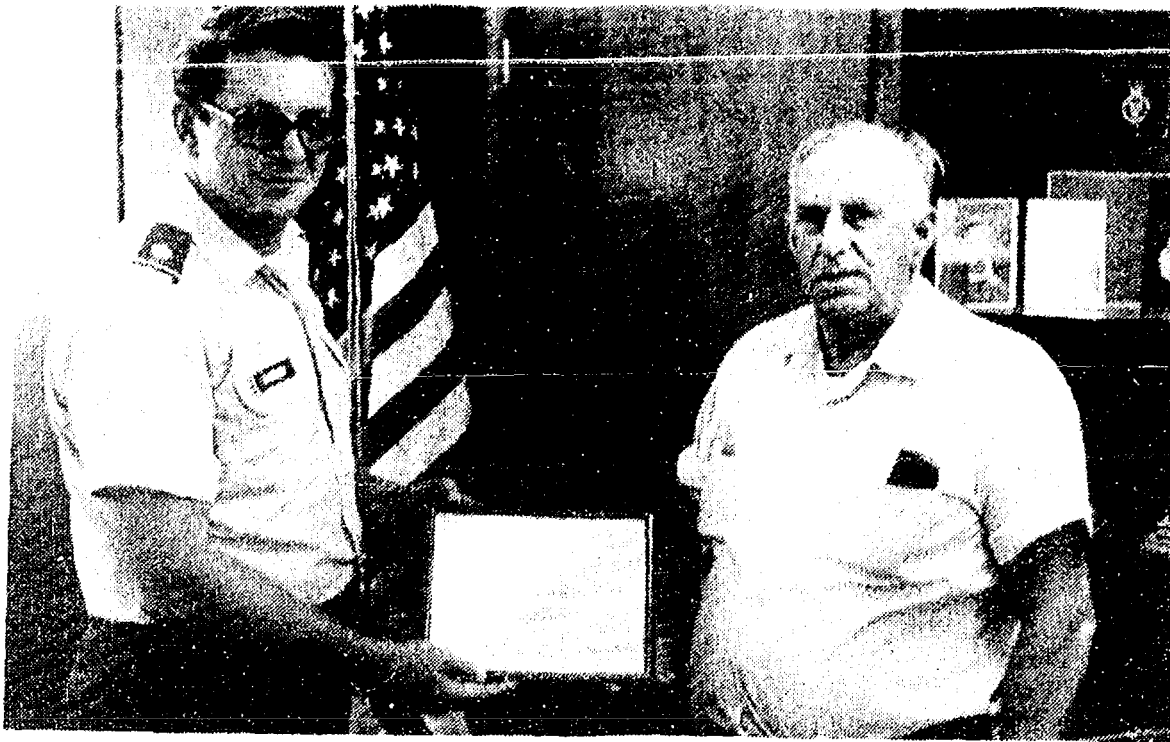

- Between Lots 1-10 and Lots 21-32 from Dicks Drive to a 12 foot alley in Block 6
- Between Lots 1-11 and Lots 23-29 from Dicks Drive to a 12 foot alley in Block 7
- Bordering Lots 11, 12, 13 - 22, 23, 24 from Lake Avenue to Ray Avenue in Block 7

Reasons for the requests are that the alleys serve no useful or practical purpose and the land could be improved by adjacent property owners.

Notice is hereby given that a public hearing will be held on said request on the 13th day of August, 1982 at 1:00 P.M. before the Board of Crawford County Road Commissioners in their office at 320 State Street, Grayling, Michigan.

**PITZ RETIRES**—Henry Pitz retired last Friday at Camp Grayling after 22 years of service. Pitz, who lives near the Manistee River, said he plans on hunting, fishing, and working around his home more. An avid gardener, he also likes to shoot black-powder guns. Lt. Colonel David "Skip" Hanson presents Pitz with a certificate of appreciation for his work at the camp. Before working at the camp, Pitz served for five years in the Army. (Photo by Jon Thompson)

**LP's Graduate  
at Kirtland**

Graduation ceremonies for the tenth Practical Nursing class at Kirtland Community College will be held at 7:00 p.m., Friday, July 30th in the Gilbert I. Stewart Auditorium on campus. The public is cordially invited to attend.

The invocation will be given by the Reverend Robert Case, Lewiston, with music provided by Elizabeth and Rebecca Cottle, of West Branch.

Guest speaker for the evening will be Mrs. Lorraine Sanborn. Mrs. Sanborn has been a nursing instructor at Kirtland for six years, and will be leaving the state after graduation. Her speech will be entitled: "Syllabus—For Your Tomorrow." The Kirtland Ms. Club will be serving refreshments for the reception in the Student Center, following the ceremonies.

Among the 35 graduates, the following will be receiving honors: Ruth Cottle, West Branch, Cum Laude; Rose Ann Goick, Standish, Cum Laude; Phyllis Homer, St Helen, Magna Cum Laude; Abbie Huff, Luzerne, Cum Laude; Ellen Kaneszewski, Roscommon, Magna Cum Laude; Jane Kimball, Roscommon, Magna Cum Laude; Ellen Klein, Lewiston, Cum Laude; Joyce Kovach, Rose City, Cum Laude; and Jeffery Taylor, Mio, Cum Laude.

Honors are based on cumulative grade point averages and are awarded with the following criteria: Summa Cum Laude 3.68-4.00 grade point average; Magna Cum Laude 3.34-3.67, and Cum Laude 3.00-3.33 grade point average.

**In Memorium**

In loving memory of our Charlie who left us July 29, 1979.

We remember three years ago when you were out admiring the pretty roses. Then one evening you just slipped away without saying goodbye.

Now the roses are in bloom again, heartache and tears, but also beautiful memories of the one we love.

Your mother and sister and all the family.

**Bits O'Talk**

by Fay Bovee

Angela Kirkum was honored on July 20th when Reverend Bill Rabior dedicated a Mass in celebration of her 83rd birthday on July 26th and presented her with a plaque for "Service to the Community of Faith". Regina Rettenmaier surprised her with a champagne breakfast at the Holiday Inn, joining them were Father Bill, Earl Westbrooke, Marie Hale and Mr. and Mrs. Mark Kirkum. Regina has now been successful in surprising Angela on three separate occasions.

Spending a week at their parental home with their mother, Mary Jane Knibbs, were Holly Knibbs of Washington, D.C. Dr. Linda Knibbs of Springfield, Ill., and Michael and Nancy Elliott and son, Michael Ryan of Ann Arbor. Jim and Cindy Knibbs and baby daughter of Petoskey came for the weekend.

Mrs. Dula Fitzpatrick had all of her children home for the first time in 13 years for a Fourth of July celebration. Here were Terry and Debbie Fitzpatrick of Bay City, Gary and Joan Hubbard of Saginaw, Bob and Colleen Amey of Louisiana, Bob and Jane Greenwood of Kalkaska, Brian and Julie Fitzpatrick of Lansing, Phillip and Grace Stancil, and Doug and Pat Wilson and their families of Grayling and Laura Kay at home. Colleen is remaining for part of the summer with her mother.

Mr. and Mrs. Roy Knight and their daughter and husband, Don and Kris Gravelyn, enjoyed a three-week vacation trip to Florida where they visited her mother, Mrs. Jewell Ward at Avon Park. They did some sightseeing and enroute home stopped at another sister's home, Ron and Elva Lovell in Louisville, Ky.

Kenneth and Dawn Howell of Grayling are the proud parents of a baby girl, Sara Ann who was born on July 7, 1982, at Otsego Memorial Hospital in Gaylord. Sara weighed 8 lbs. 3 ozs. The grandparents are Jim and Mickey Sorenson of Grayling and Bill and Jean Howell of Holcomb, Missouri. Great grandmothers are Nina Doremire and Edris Sorenson of Grayling and Idabee Sullivan of Holcomb.

**Invitation To  
Candidates**

We invite every candidate who will be on the August 10th primary election ballot to come to our Frederic Satellite on August 6th at 1:00 p.m.

We will give each one three to five minutes to tell us about yourself and answer any questions concerning the office you are seeking. Our seniors want to be informed, we want to meet you. Please come.

Also any candidate is welcome to come in at 4:45 p.m., Monday, Tuesday, Wednesday, or Thursday and at 12:00 noon on Friday to meet the senior citizens at the Center during their meal program.

We extend to everyone five to ten minutes to give your presentation and then answer our questions on your views. We are very interested in your views on Social Security, especially those running for federal offices. Seniors want to be informed.

Dear Mr. Madsen:  
This year your paper has arrived regularly at our Washington, D.C. "bedroom area" (call it suburban) home, through the courtesy of Uncle Sam's Mail.

Every word, including legals & ads has been perused with great interest! We think you and your folks are doing a good job, although we have been curious about some. How does Mrs. Bovee get time to do all those things?

We see many family names which remind us of Mount Clemens and Macomb County, home of the Church Family since 1840.

For example, the article and picture of the DeVoses—I said to Kay, "These are better people even than I thought." Kay: "How so?" "Why, they are old Macomb County folks."

Central United Methodist Church as the setting Saturday, June 26, 1982, for the marriage of Jodee L. Button and Thomas B. Smith. The Reverend John Wallace performed the late afternoon nuptials in the presence of family and friends.

The bride is the daughter of Daniel and Alice Chema of Flint, and the late Philip M. Button. The groom's parents are Donald and Marge Smith of Grayling and the late Mrs. Olive Smith.

The new Mrs. Smith is a graduate of Carman High School and Alma College and is presently employed by U.S. Testing Company in Midland.

Mr. Smith also graduated from Carman High School, served four years in the U.S. Coast Guard and is presently attending Ferris State College.

After honeymooning in the New England states the couple will live in Midland until the fall when they will move to Big Rapids.

## Webb Runs for 36th District Senate Seat

John D. Webb, Jr., Iosco County Commissioner, has been asked to run in the new Senate District 36, in which there is no incumbent senator running in the upcoming election. He is a graduate of Michigan State University with a B.S. degree in Agricultural Economics. He was a commissioned officer and navigator in the U.S. Air Force. He has twelve years of experience as a local and county official. He has worked as President and as secretary for the Hale Area School Board, Supervisor of Reno Township, six years as an Iosco County Commissioner of which for two years he was Chairman of the Board of Commissioners.

John is at present Chairman of Region 7B Employment and Training Consortium which involves eight counties. He was Chairman of Iosco Transit Corporation when it was first organized. He has worked as Director of District II (Iosco, Ogemaw, Oscoda, and Alcona) Board of Health.

John and his wife, Kay, have three teenage boys living at home with them on their farm which is located south of Hale and north of Whittemore. They have two older children working in other communities. John owns and manages his cash crop farm himself, and more recently with the help of his boys.

He is concerned with the financial responsibilities of the state government of which he feels that presently too much is being given away. He is concerned with over-regulation, being over taxed, and, at the same time, of being under employed. While John has been working as commissioner, Iosco County finances are in the black. He will work toward fiscal responsibility of the state. John feels that the local, counties, and state governments need to cooperate with each other to help improve the economic conditions of Michigan. It is his experience at these lower levels of government that will help him to work toward a bi-partisan cooperation in new legislation that will help him to work toward a bi-partisan cooperation in new legislation that will improve Michigan's ability to survive and thrive once again.

### Controversial Tub/Barge Program May Become Subject of Legal Battle

Warren M. Hoyt, Executive Director, MPA

The completion of the controversial Great Lakes tug/barge project may become the subject of a court battle after the builder shut down construction claiming the state failed to honor an agreement to make quicker payments.

John P. Woodford, director of the Department of Transportation, announced that Upper Peninsula Shipbuilding Company (UPSCO) will be held in default of its contract with the state unless it immediately resumes construction at the company's Ontonagon shipyard.

The project was once hailed as a key to reviving the U.P.'s sagging economy as the original \$35 million construction of a tug and four barges to carry freight across Lake Michigan has now grown to over \$44 million.

The project is also the object of a federal grand jury investigation and political wrangling.

The company shut down the shipyard on July 2, idling 350 workers on the 120-foot long tug and 437-foot barge system, which is designed for use of transporting railroad cars and truck trailers on the Great Lakes.

The project is currently between 85 and 90 percent complete. When shutting down the project, UPSCO officials charged the state had reneged on a pledge to speed up payments to improve the company's cash flow.

They said the state had agreed in January to speed up, but not increase, payments to help the firm pay vendors and ship designers. In exchange, the company agreed to give the state expanded authority to examine its books in the over budgeted project.

UPSCO President Robert Rotundo said the shipyard would remain closed until the state paid a "considerable amount of money," but he would not specify any amount. He said the monthly state subsidies have been less than the amended contract called for, making it impossible for the company to meet its obligations.

Woodford said that unless construction starts up again immediately, the company will be held in default and the state will take "such legal actions as we deem necessary."

Also, Woodford demanded UPSCO comply with its contractual obligation to allow auditors and representatives of the department access to its facilities, office and records.

Department spokesman Thomas Shawver said the department was currently meeting with lawyers discussing what specific legal actions could be taken.

He added, however, that the department preferred not to talk about such actions because that would tend only to exacerbate the situation. Shawver said the department would rather get an agreement from the company to reopen the shipyard and complete construction instead of going to court.

Woodford called upon the company to live up to contractual obligations by providing accurate and detailed production and financial schedules on a monthly basis dating from the signing last January of amendments to the original contract executed in July of 1979.

"Our intent and hope is not to engage in lengthy litigation with UPSCO, but to encourage the company to resume work and carry the contract to completion," Woodford said.

The state has already paid UPSCO some \$41 million on the controversial project, including \$5.5 million under an escalator clause covering the increase in the cost of labor and materials since the project began.

The project was originally to have cost \$35.5 million and the latest projected cost is \$44 million.

Besides the \$41 million already paid to the company, another \$2 million has been set aside for special administrative costs leaving another \$1.2 million due and payable to the company between now and upon completion.

The project has been criticized as a boondoggle since it began three years ago. The program was pushed through the Legislature by Upper Peninsula lawmakers and Governor Milliken as a means of cutting the U.P.'s high unemployment rates.

The contract was awarded by the State Transportation Commission without competitive.

## Fred Bear Honored With Astronaut Flag

Gainesville, Florida — Astronaut Joe Engle, Commander of the second Space Shuttle Mission aboard "Columbia" recently presented Fred Bear with a flag flown on STS-2 in November 1981.

The occasion was a surprise celebration of Mr. Bear's 80th Birthday. Friends attended from around the country to honor the man who it is said has done more to build the sports of archery and bowhunting than anyone alive today. The \$25-a-plate affair netted over \$3,100 for the Citizen's Committee to Save the Cache River Fund. Guest speakers in addition to Astronaut Engle included Dr. Rex Hancock of the Arkansas based Cache River group, Clare Conley, editor of Outdoor Life Magazine, Merrill L. Petoskey, U.S. Department of Agriculture, Les Line, Editor of Audubon Magazine, and Frank Scott of the Fred Bear Sports Club.

In his remarks, Joe Engle said: "There's a large percentage of the guys in the Astronaut Office that flat idolize Fred Bear. We idolize Fred because he represents just about everything that can be represented as a hunter, as a conservationist, an outdoorsman, but mostly as a human being." And in making the flag presentation Colonel Engle said "You represent everything there is American, and Dick Truly and I want you to have this flag and our Patch that flew on the second Shuttle Mission...the first Reusable Flight of a Spacecraft. We wanted you to have that, Fred, Happy Birthday."

"Columbia" passed high over Gainesville in the pre-dawn hours of November 14 and was observed by several Fred Bear Sports Club members in its 150 mile high orbit.

### How to Keep Cool Naturally

You can choose to go through the summer without an air conditioner and still be comfortable in your home, says Gail Edwards, Extension home economist.

One cooling option is the whole house fan. This unit, installed in an upstairs hallway or in the highest, most centrally located spot in the house, will move summer heat buildup out of your house and into the attic.

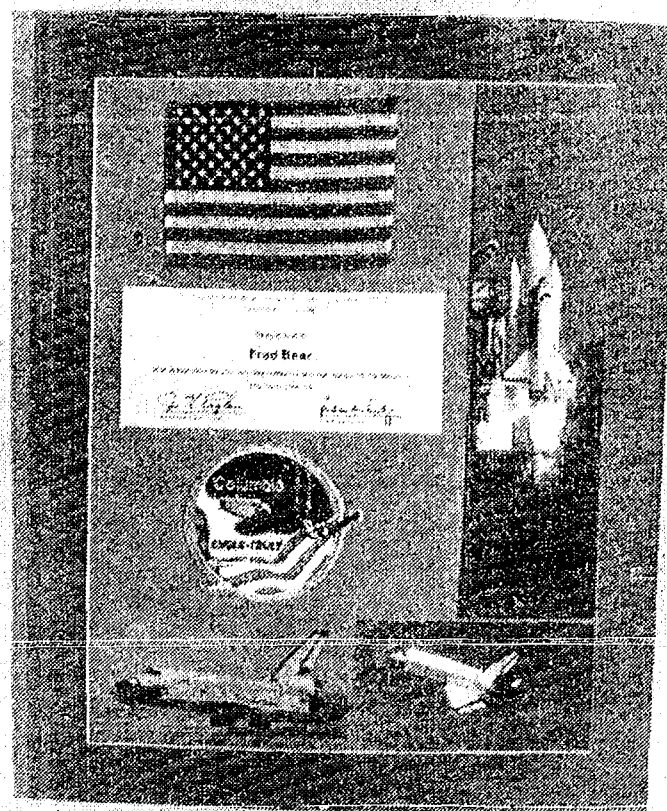

The attic vents should be adequate to allow rapid exhausting of heat buildup, and household replacement air should come from the coolest source. This could be a low window on the north side of the house that's shaded by shrubs or trees.

Another option, is the attic fan. Mounted on the gable end of the house, it exhausts heated air from the attic very rapidly. This means that attic heat will not "migrate" through the ceiling insulation and add to summer time heat load.

A third option, and perhaps the most sensible and simple, is to "manage" your house in a summer mode. This means closing blinds, drapes and windows in the early morning to keep out sunlight and heat, then opening all window coverings in the early evening. Open windows low on the west side and high on the east side to provide an upward and outward path for heat exhaustion.

Another activity that helps cool the home is to wet down the roof (if it's accessible) and surrounding shrubbery, she says. The evaporation of the water will rapidly cool your home.

Remember to keep window coverings open all night - the night sky draws heat away from the earth and out of your house.

## RSVP Reports

by Sherry Haag,  
Director

Welcome to news of the Retired Senior Volunteer Program. The Retired Senior Volunteer Program is a part of ACTION, the Federal agency for volunteer service. It can be an answer to many older Americans' fondest dream: to live a life in later years filled with dignity, purpose and activity.

Through RSVP, if you are age 60 or over (there's no upper age limit) you will be given an opportunity to contribute your time, experience, knowledge and interest to others in your own community who need you and your commitment.

Since all RSVP programs are community-sponsored, as a volunteer you'll have the unique opportunity to be of service to fellow citizens by offering your skills to your own community for the good of all.

RSVP activities are as numerous and diverse as the senior volunteers. Volunteers serve in the areas of health/nutrition, education, economic development, housing, energy/conservation, food/water, legal rights, community service and many others. The list of things to be done is endless.

Equally important, as a senior volunteer you'll find that what you receive is often more than you give - your life will be enriched many times over by the welcome given to your active participation in community service.

Since experience is the best teacher, it follows that people of retirement age have much to offer - your knowledge, your skills, your patience and your unceasing dedication to a task are all valuable assets that can be used in many community programs and that's what RSVP is all about.

A Special Big Thank You to all the volunteers who helped assemble the kitchen plaques, who made cards, and who helped at the Arts & Crafts table. We appreciate all the help.

Dear Citizens,

I would like to say my peace about the Deputies of Crawford County. The less our deputies do and the more they ignore, the better our citizens like it, except of course if something happens to one of them and they need an officer. Then it's "where the hell were you" "what took so long" etc., etc., etc.

It takes a very special kind of person to be able to serve and protect a community when they know they'll just get stabbed in the back every time they turn around.

When those Deputies are pulling someone over for speeding or making an arrest for drunk driving, or someone that's even suspected of drunk driving, whether it be one of our more prominent citizens or otherwise, he is protecting us and our children. Remember - Speed kills and alcohol kills!!

Whether you think so or not, our officers are not wasting their valuable time arresting innocent people for lack of something to do, they've got enough on their hands with taking care of all the lawbreakers in the County. And if you're one of those victims of being pulled over innocently it's only because you did something suspicious, like swerve in the road. Well at least then we know our officers are looking out for those drunk drivers, and trying to keep them off the roads so they can't kill. All it takes is one swerve into the path of an oncoming car that could be you and/or your children, or one swerve off the road where a pedestrian is walking. So if you're pulled over innocently try thanking that officer for protecting and looking out for you. Remember - He who yells the loudest is usually the guilty one. The officers are not looking for a hassle, they get more than their fill of that in one day.

If all the citizens could just go through a fraction of what the deputies have to endure in just one day, I'm sure you would all have a lot more respect for them.

Finally, to one Deputy in particular, I just wanted you to know that there are more honest people behind you all the way than there are others.

Thank you to all the Law Enforcement Officers of this County for watching out for us and protecting us.

An Understanding Citizen

result in some confusion - hang on.

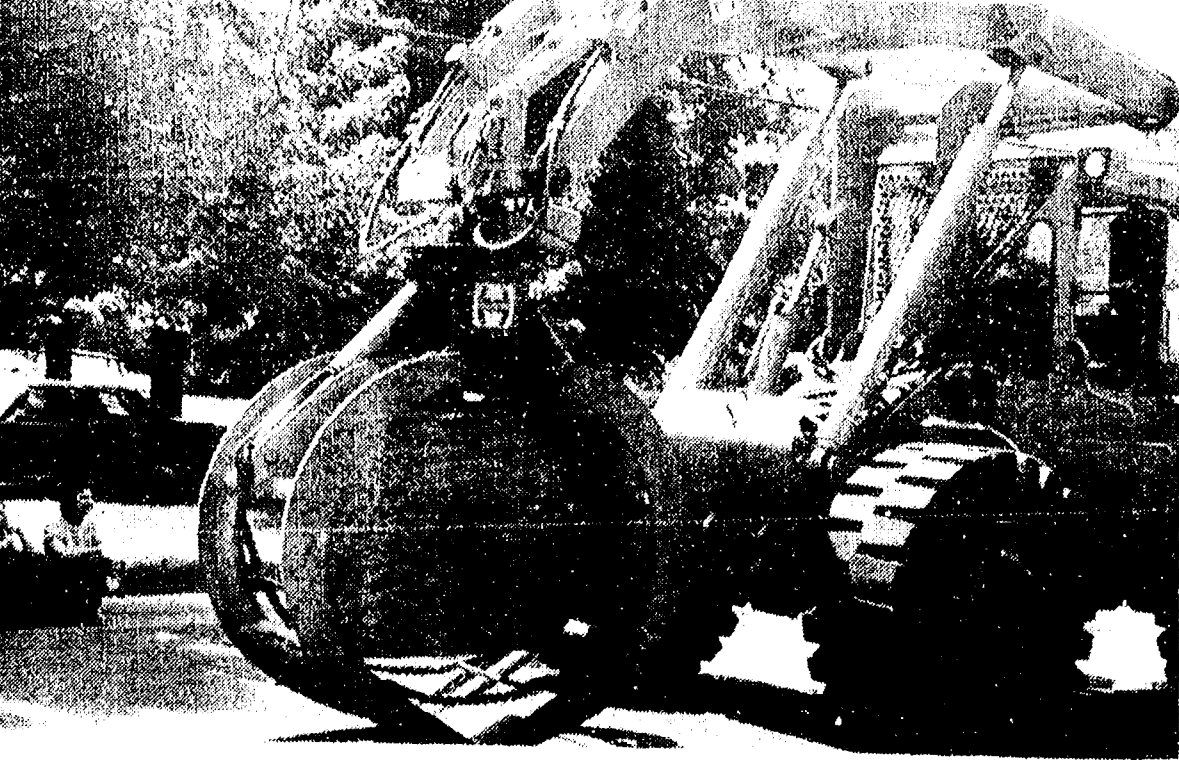

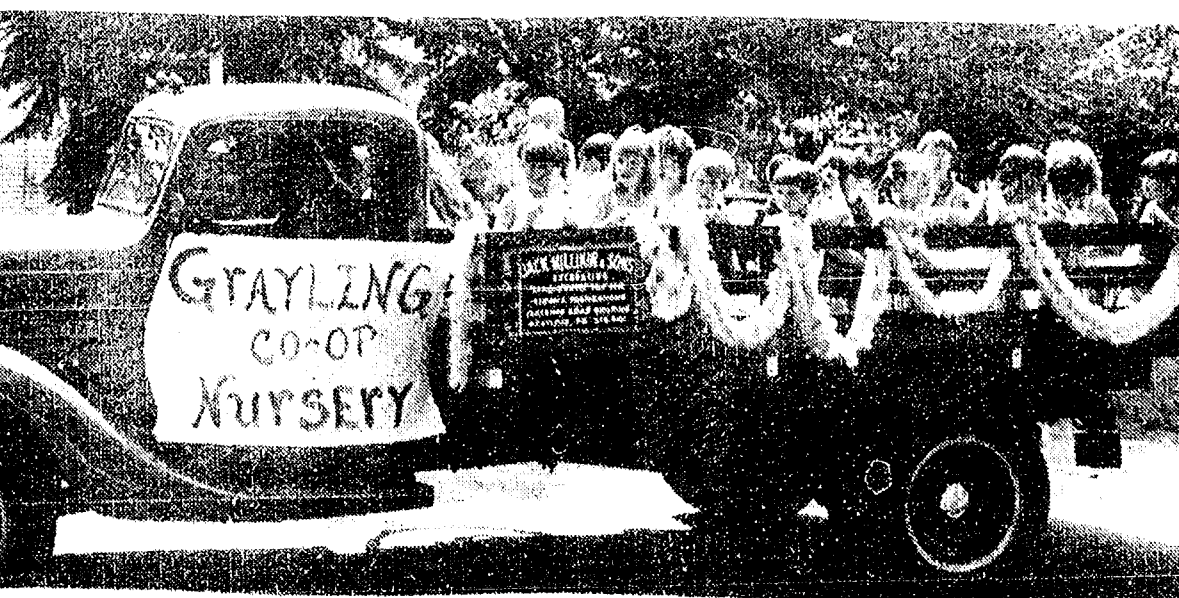

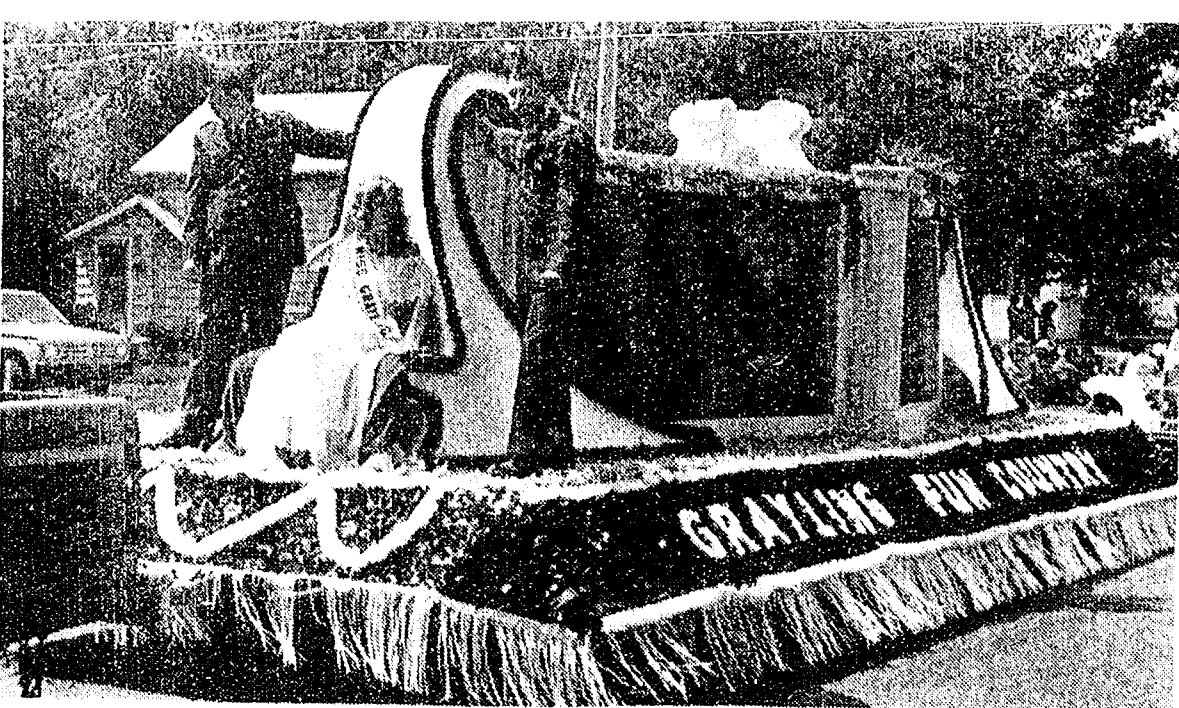

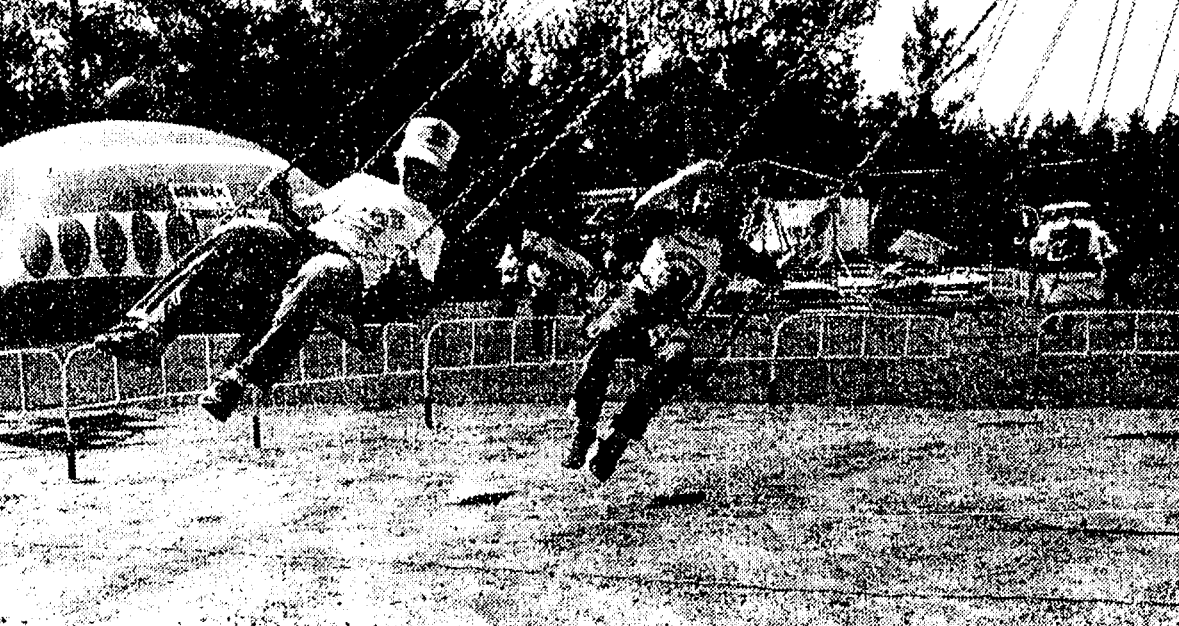

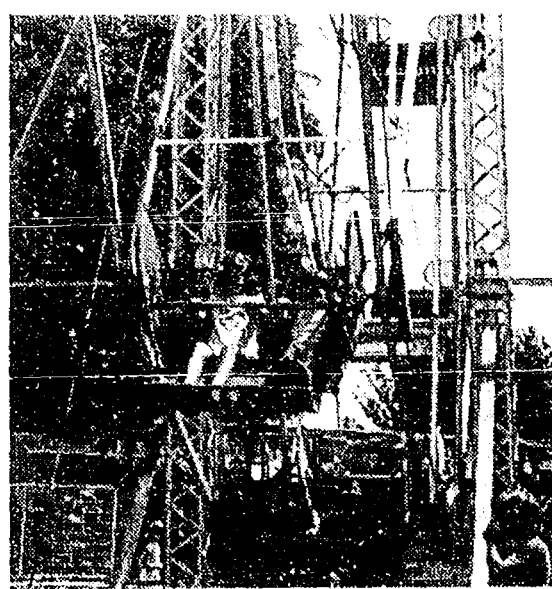

For March, 1981, (old system) the GTE phone bill was \$1516. For March, 1982, (new system) the GTE phone bill was \$2128. Now the fun starts.

On the new system, the county pays for all calls from six depts. which later reimburses the county. The county did not pay for these calls on the old system so the monies re-imbursed to the county now must be subtracted from the new system phone bill for comparison. In March, 1982 the re-

imbursements amounted to \$650. An additional \$60 should also be subtracted from the new bill because of a 10 percent rate increase on equipment by GTE that would have been tacked on the old system. Subtracting the \$650 and \$60 from the 1982 bill puts the 1982 total at \$1418 compared to \$1516 for 1981.

This shows a monthly savings of \$98 on phone bills for the new system - close to the \$95 savings mentioned above in GTE's study for the month of March.)

## Frederic Fire Dept. Sponsors Bike-a-Thon

The Central Regional office of St. Jude Children's Research Hospital announced today that the Frederic Fire Dept. has agreed to the chairmanship of the St. Jude Children's Research Hospital Bike-A-Thon in Frederic. The funds raised in this years event will go to support the hospitals programs of research, patient care, and education. St. Jude Children's Research Hospital was founded by entertainer Danny Thomas. The institution opened its doors to the public in 1962 to combat catastrophic diseases which affect our children. St. Jude's is non-sectarian, non-discriminatory and provides total medical care to over 4,200 patients. The funds raised in the events this fall will assure the continuation of the life giving work at the hospital. The concern which the Frederic Fire Dept. has for the work being performed at St. Jude is greatly appreciated, and the children hope that the citizens of Frederic will support the upcoming Bike-A-Thon wholeheartedly.

To the Editor:  
Now that election time is approaching, letters to the editor are being written regularly by individuals running for the Crawford County Board of Commissioners or their advocates.

This, obviously, is our great democratic process in motion.

There are, however, some issues which can only be objectively analyzed by a person not running for office but who carefully follows all actions by the commissioners.

For the past four years, I have attended all but about two commission meetings and many committee sessions. Never have I received the impression that a commissioner (past or present) is squandering our tax money. They have had some difficult decisions to make, but the improvement of life for county citizens and efficiency of operation of county government has always been their motivating concern.

The seven commissioners have a thankless job. They must work with two labor unions, a court system and constituents. They not only attend two day long commission meetings a month but have at the very least 33 committee meetings as well. In addition, there are a host of ceremonial duties each week which a commissioner must attend. Obviously they

## Editor's Mailbox

do not serve for the money involved, since individually they receive less than the lowest paid full time employee in the County Building.

In many cases, they have little choice in funding a program because it has been mandated through state law. One example is the Health Department, where an increase of about \$20,000 has been requested this year. Commissioners feel that this is much too steep a budget raise, but unfortunately they must be careful because certain aspects of health operation are so vital. For instance, if the department is not sufficiently funded, there will be no water or septic tank permits granted. That would mean no home construction in the county. It could also affect the many health services rendered to children.

Another program which is hardly controllable is in the law enforcement and court system area. Who can say how many officers are necessary? Who can predict how many trials will cost budget money?

It disturbs me greatly that, just before an election, a candidate latches on to an issue or two that is then blown up to make it look like most county decisions are bad. Yes, the commissioners, like anyone in a decision making role, can make a mistake. On the other hand, perhaps what is interpreted as a mistake to one person may well be an efficiency decision to another.

Of course it could well be that the commissioners have spent the last four years concentrating on "pulling the wool over my eyes." My impression is that they become involved in meetings with a total effort made at maintaining as smooth a running county operation as is possible.

Of course, everyone is entitled to his/her opinion. That is our democratic process in action. The only point here is that drawing conclusions based on a part time, short term observation of a supposed problem is more dangerous than any harm a group of commissioners can cause when they collectively debate an issue.

Vote on August 10 for any candidate who can justifiably claim to be the best informed in the county.

Don Geiss

## Brooks Patterson at Roscommon

L. Brooks Patterson, candidate for the Republican nomination for Governor, will be at Fred's Restaurant in Roscommon at 7:30-9:00 a.m. Monday, August 2, for a fund raising breakfast. Mr. Patterson will be available at this time to talk personally with all who are there about their concerns of government and business in Michigan as well as explaining his concerns and solutions to state problems.

This event is sponsored by Mary Jane Thayer and Ed Benke, Crawford and Roscommon County "Chairmen for Patterson" respectively. Tickets and information are available from Mrs. Thayer at 348-7253 or Mr. Benke at 275-5746.

## Strolling Around Town

There has to be a goof occasionally to keep my readers on their toes - it was a goof, not intentional, that I said someone complained about people parking between the curb and sidewalk. When they really complained about parking across the sidewalk. Sorry! Another of my faithful readers informed me that the yard was not mowed because of bird's nests - we do have to give in sometimes to Mother Nature.

During the past week I've been admiring some of the flowers and yards on Lake St. including the St. Mary's Church who have a planter full of flowers. The Brad Jarmins have flowers in many spots, some right next to the street, the former Tony Nelson home has petunias again this year, and around the corner the McCarthys have flowers planted. Up on Maple Street, Mrs. Oscar Smith's flowers are really showing now, she has a nice garden as do the Brooks next door, and the Art Cloughs yard is always neat looking. Mrs. John Brady still has her garden of corn, a tradition of many years, while the George Hiltons garden and roses look fantastic. Matson's Foster Home has a planter full of flowers, while Mrs. Gorney has geraniums and other flowers. Over on Park Street, the Bakers are in the process of erecting an unusual and attractive fence. Next week we hope to visit one of the subs where residents have been trying to improve the area.

The Avalanche will begin a special photo feature entitled, "Citizens of Tomorrow" in four to six weeks. This series will spotlight children of the area with name identification, age, address and the name of their parents.

There will be no charge made for the picture in the paper or the photographer's time. Parents are under no obligation to purchase anything.

The Avalanche is able to make this offer through the Woltz Studios, Inc. of Des Moines, Iowa. A photographer will be at the County Building, Thursday, Aug. 5th from 2:00 p.m. to 7:00 p.m. to take pictures of local children. Please call Dee Sattler 348-9035 to make an appointment for your child.

Now, we all know that we do not get much of anything free. The Woltz Co. is hopeful that parents will want copies of their children's pictures, but they are not obligated to buy anything in order for their children to be featured as Citizens of Tomorrow in The Avalanche.

Group or family portraits can also be made at this time, but only the pictures of children up to and including 17 years old will be featured in The Avalanche.

Parents or guardians must accompany children for their photographer's appointment.

## Township of South Branch

### Notice of Public Hearing on

### Increasing Property Taxes

The Township Board of South Branch will hold a Public Hearing at 7:30 PM on Thursday, August 5, 1982 at the South Branch Township Hall located at 5245 M-18, Crawford County.

The Township is authorized to levy 4.00 mills (Two (2) mills for Fire Protection or \$2 per thousand SEV and Two (2) mills for Township Operating or \$2 per thousand SEV). To comply with Public Act 5 of 1982 the Township and Fire mill rate is reduced to 3.7403 (\$3.7403 per thousand SEV).

In order to maintain basic services of the Township, the Township Board proposes to levy an additional mill rate of 0.2597 mills (26 cents per thousand SEV). This will provide an estimated 6.9427 percent increase in the total Township operating revenue.

The purpose of the Public Hearing is to receive testimony and discuss the proposed additional 1982 Township Operating millage rate. Public comment is welcome; however, the Township Board has complete authority to establish the number of mills to be levied up to the authorized mill rate.

July 13, 1982

George Rybicki, Supervisor

To the People of Crawford County,

When I took the Oath of Office as a commissioner for Crawford County I swore to uphold the Constitution of the United States and the State of Michigan, and to faithfully discharged the duties of my office.

Within the duties of that office I and my fellow commissioners accepted a great deal of responsibility for the health, welfare and general well being of you - the people we serve.

When you were silent, we presumed to speak on your behalf. We drew on our conscience, common sense and our intellectual and spiritual resources to meet your needs as we perceived them to be - with the weapons we were given. Those weapons, of course, were our tax dollars. And with dollars, as with weapons, how they are used can be every bit as important as how many you have. I hope I have used yours wisely, and fought for you skillfully.

I joined with citizens and vigorously and vocally opposed strong-arm tactics by the State to place AIS Homes in areas of Crawford County where there was local opposition. Together, we succeeded.

Along with the entire Board, I have fought long and hard to maintain our PILT (payment in lieu of taxes) monies at present levels while the State and Federal Governments have introduced legislation designed to slash them -

threatening to further erode our local tax base.

I'm on record as demanding a restructuring of our repressive tax laws, so that equalization can become what the Constitution intended it to be - equal and fair. We haven't won that one yet, but the fight is far from over.

I was active in the Board's all-out effort to keep our employment office open when the State arbitrarily earmarked us for a shutdown. We were heard from Lansing to Washington, from Milliken to Reagan. They heard us by phone, telegrams and a flood of outraged correspondence. And we won. At the eleventh hour - but we won.

There's more, but my actions are on record and my participation evident to anyone following local government and community concerns. But the important thing is we've had significant victories along with our disappointments and frustrations.

We have a new plant putting people to work. Our Sheriff Dept. has the personnel to do its job effectively. Our health services have been upgraded. Our delivery of county services equals or surpasses that of larger counties in quality and efficiency, and we are stubbornly and successfully resisting further encroachments on our lives and resources by State and Federal Governments which have forgotten how to balance a checkbook, and are attempting to charge local governments and local taxpayers for the State's irresponsible overdrafts.

Most importantly, we managed OUR progress within a balanced budget. As Chairman of Finance of the County Board, I'm proud of that. I've given you my best, and am hoping it was enough to earn your continued support on Aug. 10th. But regardless of whom you support, please vote.

Sincerely,  
Walt Nowak,  
Commissioner  
District No. 5

### Editor's Mailbox

Dear Sir:

I was very impressed with Mr. Johnston's article in July 15th week's addition, especially on the subject of where our tax dollars are spent.

I know of an instance where a man was sentenced to 1 year in the county jail for an offense that occurred while he was intoxicated. After evaluation from two (2) different doctors, before incarceration, the man was considered an alcoholic and needed treatment in one of the states Alcohol Abuse Centers.

One month after incarceration a representative of one of these facilities conducted a test on the individual & came to the same conclusion: The man needs treatment for his illness (drinking). He was told that this treatment would come after his jail term!!

Maybe I'm wrong, but it seems to me this is a waste of our tax dollars. Why not use our tax money to help solve the man's problem and not be used to prolong punishment.

### Computer Camp

EAST LANSING—Kevin Reynolds of Grayling recently keyed into the future at a Michigan State University computer camp.

MSU's Computer Camp, held June 27 through July 2, was designed to provide basic computer knowledge for some 50 youngsters, ages 10-15.

During the camp, students learned computer terminology and programming techniques. Faculty members of MSU's computer science department assisted in classroom and lab sessions.

The program was cosponsored by the Office of Lifelong Education Programs and the Department of Computer Science at MSU.

Reynolds, a student at Grayling High School, is the son of Kent and Mary Ann Reynolds, 404 Park.

### District Court

The following persons appeared in 83rd District Court before Judge Francis L. Walsh:

Ronald Price, 34, of Grayling, was bound over to Circuit Court on a charge of involuntary manslaughter.

Phillip Taylor, 32, of Roscommon, and Sandra Taylor, 28, of Roscommon, plead guilty to charges of malicious destruction of personal property valued under \$100. They were each fined \$105 or 10 days plus ordered to pay restitution. They were both placed on probation for 6 months. They were cited March 11 following a citizen complaint.

Phillip Marzion, 34, of Grayling, demanded preliminary examination to a charge of larceny of property valued more than \$100.

Edward Lukimer, 39, of Grayling, was found guilty in a trial by jury of a charge of D.U.I.L. He was sentenced 15 days plus \$305 or an additional 30 days. He was cited Oct. 4, 1981, by Crawford County Sheriff deputies.

Tommy LaMotte, 37, of Grayling, plead guilty to a charge of D.U.I.L. and was fined \$305 or 30 days plus his license is suspended for 90 days. He was cited May 13 by sheriff deputies.

Ernest Hoggis, 40, of Indianapolis, plead guilty to a charge of disorderly person. He was fined \$65 or 7 days. He was cited July 16 by Grayling City Police.

Raymond Cortez, 41, of Indianapolis, plead guilty to a charge of disorderly person and was also fined \$65 or 7 days. He was cited July 16 by Grayling City Police.

John Peterson, 18, of Bellevue, Nebraska, plead guilty to a charge of reckless driving. He was fined \$105 or 10 days. He was cited July 14 by city police.

Jay Osga, 24, of Frederic, plead guilty to a charge of failure to obey an officer directing traffic. He was fined \$85 or 10 days plus \$50 in attorney fees. He was cited April 23 by the sheriff dept.

## La Leche League Meeting Notice

"Nutrition and Weaning" will be the topic for discussion at the August meeting of Roscommon La Leche League. The meeting will be held on Thursday, August 5 at 7:30 p.m. at 650 Larson Court, Chappis Manor Roscommon. This is the last meeting of this series; a new series will begin in September in Grayling.

La Leche League believes that mother's milk is the best food for baby; more importantly, that breastfeeding gives the baby the best start in living.

The discussion will include suggestions about nutrition for nursing mothers, their families and starting the baby on solid food, as well as information about weaning the breastfed baby.

Expectant mothers are encouraged to attend the series of meetings before the baby arrives. Nursing babies are always welcome. For further information, or for breastfeeding help, call Carolyn Crist at 275-8431.

## Grayling Township Board

Regular Meeting — July 13, 1982

Members present: Bernard Fowler, Elizabeth H. Wieland, Evelyn Gardiner, Marvin Hallett, Jacqueline Bonkowski.

Members absent: None

Others present: Barbara Sojka, Bob Chappel, Dennis Sloan, Mary Harland, Ed Holtcamp, Tony Doremire, David Reisinger.

Meeting was called to order at 7:30 p.m. by Supervisor Fowler. Motion by Bonkowski, supported by Gardiner, the minutes of the Regular Meeting of 6-8-82 and the minutes of the Special Meetings of 6-16-82 and 7-7-82 be approved as written. All ayes.

Treasurers report was given. Motion by Bonkowski, supported by Wieland, it be accepted. All ayes.

1. Correspondence from Bud Joyce relative to identification of Cedar Street in the lake area was received.

2. Notice of a hearing scheduled by the Public Service Commission for Consumers Power Company relative to accounting and ratemaking approval of deferred tax accounting for its gas and electric operations was received.

3. Notice of a hearing scheduled by the Public Service Commission for Consumers Power Company was also received relative to inclusion of a proposed purchased and net interchange power adjustment charge in the August billing period.

4. Correspondence was received from Ypsilanti Township relative to supporting them by filing a "Friend of the Court" brief in support of the Court of Appeals hearing cases turned down by the State Tax Commission on "creative financing" issues. The issues are similar to those addressed in the resolution adopted on April 6, 1982. Motion by Bonkowski, supported by Gardiner, to go on record in support of said case. All ayes.

5. An "Update of Economic Conditions" was received from Senator Mitch Irwin's office.

6. Correspondence from the County Taxpayers Association relative to requesting an increase in swamp tax lands was received. Fowler indicated the Township is already on record through the Mich. Townships Association in support of the same issue. The consensus of the Board was support could not be given to a group where no record of registration or organization with the state or local government is known or available. Bonkowski suggested the Board have a resolution drafted addressing the same issues for consideration at the next Regular

Meeting.

7. County Commissioner Harland indicated the County received the same correspondence, took a similar stance, and would be pursuing this issue under their own auspices after the first of the year.

8. A request for fire protection was received from Beaver Creek Township for the north 1/4 of their Township including the Weyerhaeuser Plant from 8-1-82 to 1-31-83. Fowler gave a resume of a meeting he had with representatives of the City of Grayling, Fire Department, Beaver Creek Township, Weyerhaeuser Company, and legal counsel on 6-30-82. Beaver Creek residents will be voting on the creation of their own fire department at the August Primary. Fire protection for the interim period (approximately 6 months) to allow time to organize and train a volunteer department is being requested at a cost of \$650.00 per month stand by fee, and a per call fee to be mutually agreed upon. The Board felt a 30-day cancellation option should be included for both parties. Motion by Bonkowski, supported by Gardiner, to authorize the Supervisor to enter into a Fire Protection Agreement with the City of Grayling for the north 1/4 of Beaver Creek Township at \$650.00 per month stand by fee, with a 30-day cancellation option for either party, subject to a per call fee agreed upon by the Township Supervisor, City Manager, and Fire Chief, and Beaver Creek Township and the furnishing of a detailed location map of the area to be served. Roll call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

9. A petition was received from property owners on Circle Court, Riverside Subdivision relative to a blacktopping project. Motion by Wieland, supported by Hallett, to authorize the Supervisor to initiate procedure for the creation of a special assessment district for said project. All ayes.

10. Fowler informed the Board that the County Road Commission would be contributing to the blacktopping cost of Glenn Road and Orbit Drive at the same percentage as for grade and gravel.

11. A petition was also received from property owners in Sherwood Forest No. 1 Subdivision requesting a blacktopping project. Motion by Wieland, supported by Gardiner, to authorize the Supervisor to initiate procedure for the creation of a special assessment district for said project. All ayes.

Discussion was held on costs of these projects and schedule of completion. The Circle Court and Sherwood Forest No. 1 projects, if approved, may be done in the 1983-84 fiscal year, depending on the County Road Commission's schedule.

12. A blacktopping project for the extension of Wilcox Bridge Road from the present blacktopping to Jones Lake Road is also being studied.

13. A copy of the Crawford County Solid Waste Management Plan recently approved by the Crawford County Board of Commissioners was received from Northeast Michigan Solid Waste Planning Committee. Two facilities are included in the plan for the Township. Motion by Gardiner, supported by Wieland, to adopt a resolution approving the plan as presented. Roll call: Bonkowski-abstain, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

14. A salary schedule for hired employees encompassing the same principals used by the Compensation Commission in preparing salary schedules for Elected Officials was presented for consideration. Motion by Wieland, supported by Bonkowski, to adopt the schedule as presented effective for the 1982-83 fiscal year. All ayes.

15. No changes were considered for the various boards, commissions, hourly rates, or transportation reimbursement.

16. The 1982-83 Fiscal Year Budgets as presented for hearing at the Annual Meeting were offered for adoption. Motion by Gardiner, supported by Bonkowski, to adopt the General Fund Budget in the amount of \$291,110.71, the Federal Revenue Sharing Budget in the amount of \$14,200.00, and the Liquor Fund Budget in the amount of \$5,143.24 as presented. Roll call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

17. Motion by Hallett, supported by Bonkowski, to accept the Supervisor's recommendation and retain the second Tuesday of each month at 7:30 p.m. for Regular Meetings with the exception of August, July 13, August 17 (third Tuesday), September 14, October 12, November 9, December 14, January 11, February 8, March 8, April 12, May 10, and June 14. All ayes.

18. Depository of funds was reviewed. Motion by Wieland, supported by Hallett, to authorize the depository of funds with Crawford County Credit Union, Gaylord State Bank, Grayling State Bank, Northern National Bank, and United Federal Savings. Available services offered by these institutions were briefly discussed. Question was called on the motion. All ayes.

19. A fee schedule offered by the Planning Commission for various permits was reviewed. Motion by Bonkowski, supported by Wieland, to accept the recommendation of the Planning Commission and adopt the following fee schedule: Rezoning petition - \$35.00, Conditional Use request - \$20.00, Zoning Variance request - \$20.00, and Planned Unit Development request - \$50.00. All ayes.

20. The revised fee schedule of the Crawford-Otsego Counties land fill site in Maple Forest Township was received and reviewed. After much discussion, Bonkowski moved to instruct the Supervisor to draft a plan with a similar fee schedule for the Compactor transfer station and further reduce the cost of the tickets available to Township property owners and/or residents for consideration at the August Meeting. Motion supported by Wieland. All ayes.

21. Fowler informed the Board that he had not been able to meet with supervisors of other townships relative to discussing initiating procedures for the adoption of separate tax limitations. County Commissioner Harland indicated one of the County Commissioners was working on this matter too.

22. Literature on a Budget Stabilization Fund pursuant to P.A. 30 of 1978, was distributed to Board Members. Consideration will be given to this fund prior to the next fiscal year.

23. Fowler informed the Board that bids were received from Floyd G. Millikin - \$600.00 and Jack Millikin, Inc. - \$650.00 relative to abatement of unsafe debris on property code 20-045-764-001-030-00 pursuant to Ordinance 3-73. Motion by Wieland, supported by Gardiner, to accept the bid of Floyd G. Millikin in the amount of \$600.00. All ayes.

24. Motion by Wieland, supported by Gardiner, to retain Mickey Perez, Certified Public Accountant, as Township Auditor. All ayes.

25. Fowler also informed the Board that court proceedings were initiated on a pending zoning violation.

26. Requests for street signs and direction signs (children at play) have been received from various residents. Fowler will present said requests to the County Road Commission. Installation of "Zoning Ordinance in Effect" signs will also be discussed.

27. Fowler informed the Board that he is receiving inquiries of the assessing position recently vacated. Ads were placed in the Michigan Townships Association and Michigan Assessor's Association newsletters.

28. The Building and Ordinance report highlighted activity in construction inspections and junk cars being left on property.

29. An amendment to the pre-need sales policy for Elmwood Cemetery was received from the City of Grayling relative to the transfers of graves to members of immediate family purchasers.

30. A letter of appreciation for service rendered will be submitted to Thomas Bateman who recently retired.

31. Trustee Hallett questioned use of travel trailers in the Jones Lake area. Building Inspector Chappel is following up on complaints filed in the office relative to this matter.

32. Commissioner Harland informed the Board that Bruce Jones had been hired as County Building and Zoning Director and she wished to thank the Township on behalf of the County for the cooperation received from the Building Department on inspections during their interim period.

33. 1981-82 Fiscal Year Budget expenditures were reviewed. Motion by Wieland, supported by Gardiner, to amend the 1981-82 Fiscal Year Budget as follows: increase line items 61 Fire Department - \$1731.50, 66 Compactor Operation - \$122.92, 69 Other Contributions - \$956.50, and decrease line item 71 Transportation Authority - \$2810.92. All ayes.

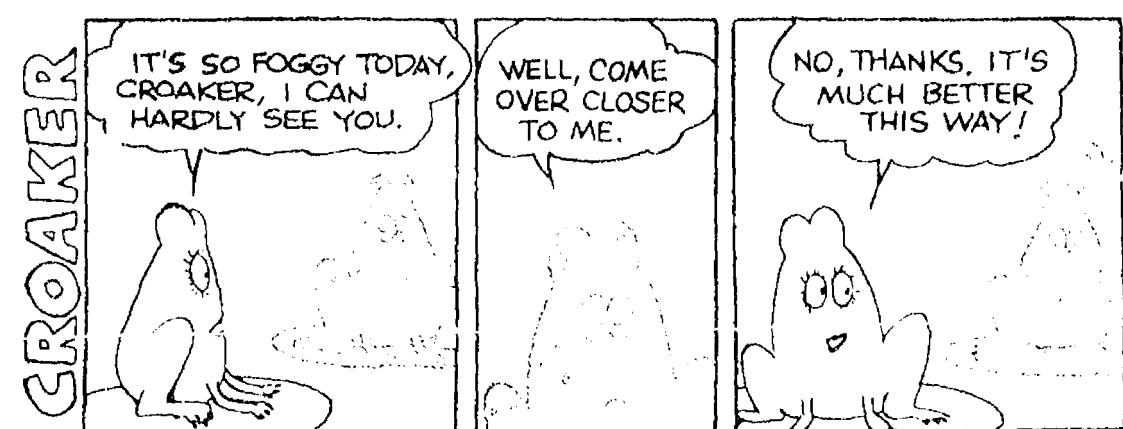

34. The revenues received from Beaver Creek Township for Fire Department Budget were questioned. Budget amendments are not necessary as expenditures will be reduced in the final audit for the year involved.

Motion by Hallett, supported by Gardiner, the bills as presented on vouchers 5682 through 5710 in the amount of \$21,662.82 be approved for payment. Roll call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

35. A cost estimate for the street light requested for intersection at M-93 and Grayling Avenue is \$85.00. No installation charge will be assessed. Motion by Wieland, supported by Bonkowski, to authorize the Supervisor to order installation of said light. Roll call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

36. Discontinuance of the Office of Constable and rescission of the action taken on April 6, 1982 by the Township Board relative to the referendum petition on Zoning Ordinance 81-2 were discussed. Legal counsel will be obtained on both matters before consideration is given.

Motion by Bonkowski, supported by Wieland, meeting be adjourned. (10:10 p.m.) All ayes.

## Winners Named in Kid's Canoe Race

Last Friday, area youngsters had their chance to race in a shortened version of the AuSable Canoe Marathon. The race, sponsored by the Grayling Area Canoe Association, is annually held on the same day as the Marathon. The rules are much different than that of the big race. The kids must use 17 foot aluminum canoes and the standard Carlisle paddle. The 11/12 year olds and 13/14 year old group canoe to Louies Landing, a 10 mile run. The 15/17 year old group race to Stephens Bridge Landing, a 17 mile run.

The winners this year are Stacy Kent and Joel Kolka in the 15/17 year old group with a time of 1 hr., 45 min., 44 sec. Second place went to Mick Lovely and Ted Kolka, and third place winners were Lorren Kent and Darrel Kent. Other finishers were Grey Salisbury and Larry Powell; Cheryl Rathburn and Tim Eno.

In the 13/14 year old race, Lacy Stephan and Troy Leslie grabbed first place with a time of 1 hr., 5 min., 55 sec. Second place in the race to Louies was Darrin Alimenti and George Dun-

can. Third place went to Jeff Nagy and Brad Gross. Other finishers were Dan Jordan and Lori Mundy; Peggy Rathburn and Anthony Eno.

In the 11/12 year old race, also to Louies, winners were Bud Ostroski and Carrie Trudgeon. Their time was 1 hr., 17 min., 41 sec. Second place went to Brian Mundy and Norm Jordan, third place to Julie Huss and Steve Lehti. Other finishers were Matt Murray and Gerry Boushelle; and Scott Mires and John Sullivan.

Letters to the Editor  
Grayling, Mich 49738

Dear Sir,  
This letter is in reference to the August primary election and a candidate named "Bud" Garland Joyce.

The voter who puts his vote and trust in Mr. Joyce will not be disappointed. As president of the COOR School Board I worked with Mr. Joyce for the good of the children and the schools. In the difficult year, he followed thru to completion, every detail. He made prudent decisions based on years of experience in the public sec-

tor. He helped the Board to re-organize chaos so that order and efficiency prevailed. He attended to details and made himself available for anything that needed to be done. He was careful with the use of taxpayers monies.

Our entire Board thanked him for his contribution to the education process...and we will miss him very much. We wish him a great deal of luck in this new venture. He is a fine person, and will give Crawford County generously of his fine talents, when elected as a County Commissioner.

### Par For The Course

Our two top golfers, Corrine Smith and Shirley Bendig both came in with a 43 on July 21 tying for low in Flight A. Thelma Bateman had a low net of 30, Marty Nowak had 14 putts and chipped in on No. 4 and Shirley chipped in on No. 8 giving her a bird on that hole. Corrine had her bird on No. 9. In Flight B, Laura Schans had a 49 giving her a low net of 33. Phyllis Scheer also had net of 33 while Marge Hildebrand put in 14 putts. In Flight C, low gross was won by Flo House with a 54, low net by Flo with 33 and Marie Wiltse who also had a 33 and Flo had only 15 putts.

The ladies will be brown bagging it on Wednesday, July 28, the day after going to Gaylord and Flight C will be serving lunch the following week on August 4.

In the Tuesday Men's League Bill Sodervick was closest to the pin on No. 6 and Ken Gothro came closest to the pin on No. 8. Arnie Mauren won low net with a 27. In the Wednesday Men's League John Wejrowski came closest to the pin on No. 6 and Grover Cason was closest on No. 8. Mark Furst won low net with 25.

### Andrews Candidate For 36th Seat

Carol Andrews, of Ossineke, is one of five Republicans seeking the party nomination in the August 10 primary for the 36th District Senate seat.

Andrews, a member of the Alpena League of Women Voters, lobbied for and achieved opening of a county recreation facility. She also devised a city, county, and school substance abuse policy.

She has also been a member of the Alpena County Board of Education, served as board member of Alpena County Red Cross, and was the director of the Alpena County Recreation Plaza.

Andrews, a 1953 graduate of Redford High School, earned a bachelor of arts degree from Madonna College in 1976 and is a member of the Kapp Gamma Pi, the National Catholic Scholastic Honorary.

She is a past member of the Zonta Club and served on the Michigan Assoc. of School Boards — Ad Hoc School Finance Committee. She was also director of Red Cross Water Safety Services for Alpena.

She has been married to David Andrews for 27 years and they have four children.

He: "Didn't that kiss make you long for another?" She: "Yes, but he's out of town on business."

### Glen's Donates \$1326

Glen's of Grayling recently gave \$1326 to the senior citizens of Grayling. The seniors turned in Glen's Save/Share tapes worth \$732.75 and Glen's also donated all the hotdogs, buns, mustard, and ketchup during a two-day hot dog sale.

The seniors gathered \$594 from the sale during Glen's anniversary sale. The seniors became one more organization to join a long list who have benefitted from Glen's Save/Share program.

## Doodles From The Tall Timber

By Wendell L. Hoover  
Park Interpreter

July has been a busy month not only because of the numbers of people who are visiting the Park but because of the completion of one major project and the near completion of another.

If you have not visited the Park recently because you have a youngster who rides in a stroller or because walking on an uneven surface is difficult, come and take a walk on the newly blacktopped trail through the Pines. Its hard surface is going to prevent the soil compaction around the tree roots which is injurious to the trees, and those with a walking handicap will appreciate the level surface and gentle grades going to the Chapel. If you have a friend or loved one who must use a wheelchair, you too will appreciate it. We now have easy access for an emergency vehicle which, sad to relate, we have occasionally needed. The surfacing is complete, but we still have stabilization of the shoulders to finish and old trails to return to nature. The recent downpours eroded the old trails but not the new, so another benefit has appeared. After this fall's leaf and needle shedding, the now bare ground and old trails will not be so apparent.

We now have nearly completed a new shelter toilet building which replaces the nearly 40-year old structure in the picnic area. The only work to be completed there, is the erection of a fireplace which is presently going on. The new restroom facilities are designed for handicapped use and are so much better than the old building that there is no comparison. When the construction work is completed, I will be able to use the shelter area on rainy evenings to present evening programs. The cross-country skiers will no doubt use the shelter this winter as a place to warm up and get ready for the trails.

All in all, it has been a stimulating month because the new facilities are going to benefit thousands of future visitors. Besides that, it is refreshing to see the land of the Tall Timber moving ahead as a viable part of the surrounding area.

## Mortgage Sale

Default having been made on the part of the mortgagors in the terms and conditions of a certain mortgage given by GARY L. SMITH and BARBARA J. SMITH, husband and wife, to United Federal Savings and Loan Association, bearing date the 26th day of September, 1977 as recorded September 28, 1977 in Liber 163, Page 359, Crawford County Records.

Because of said default, said Association by virtue of the option given it in said mortgage, has heretofore, and does now, declare the entire principal sum secured to be paid by said mortgage to be due and payable, and there is now claimed to be due and unpaid thereon the aggregate sum of \$29,566.25 Dollars and, as of the date of the sale, the sum of not less than \$29,760.32 Dollars and no suit or proceedings having been instituted at law to recover said sum, the debt remaining secured by said mortgage, or any part thereof.

Therefore, by virtue of the power of sale in said mortgage contained, which has become operative by reason of said default and the statutes in such case made and provided, notice is hereby given that said mortgage will be foreclosed and the premises described therein sold at public auction to the highest bidder, by the Sheriff of said County, on the 4th day of August, 1982, at ten o'clock in the forenoon, at the front door of the Courthouse in the City of Grayling and County of Crawford, Michigan; said Courthouse being the place of holding the Circuit Court for said County, which premises are situate and being in the Township of Grayling, County of Crawford, State of Michigan, and described as follows:

Lots 1 and 2, Block 2, KAREN WOODS SUBDIVISION.  
The period of redemption is six months.

## Easter Seals

I would personally like to thank everyone who has worked with me for Easter Seals over the past twenty five years and especially the Easter Seal County Committee.

Barbara Seleskey has volunteered to be the County Easter Seal Chairman beginning August 1, 1982, and I'm sure she will do a very excellent job for you and please give her your cooperation.

I have enjoyed serving the handicapped but find I no longer have the time to give in addition to my job, especially now with new construction about to begin.

Again thank you.

## Notice of Mortgage Sale

Default having been made in the terms and conditions of a certain mortgage made by Philip F. Faustman and Constance M. Faustman, his wife of Rt. 5, Box 5097, Grayling, Michigan 49738, Mortgagors, to the Grayling State Bank, A Michigan Corporation of Grayling, Michigan 49738, Mortgage dated February 9, 1982 and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan on the 10th day of February 1982, and in Liber 204 of Crawford County Register on Page 156, on which mortgage there is claimed to be due, at the date of this action for principal, interest, and real estate taxes paid by mortgagors, the sum of Twenty-Five thousand six hundred fifty dollars and 60/100 (\$25,650.00).

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof. Now therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided notice is hereby given that on the 29th day of September at 10:00 O'clock A.M. said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the front door of the Crawford County Building, in the City of Grayling, Michigan (that being the building where the Circuit Court for the County of Crawford is held), of the premises described in the amount due, as aforesaid, on said mortgage, with the interest thereon at 16% percent, annuity and all legal costs, charges and expenses, including real estate taxes which may be paid by the undersigned necessary to protect its interest in the premises.

Said premises are described as follows: State of Michigan County of Crawford in the Township of Grayling, to wit: Lot 8, Pinecrest Subdivision, according to the plat thereof as recorded in Liber 2 of Plats, Page 01, Crawford County Records.

The redemption period shall be six months from the date of such sale.

## Road Commission Minutes

June 4, 1982

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Cason presiding. Present were: Chairman Grover Cason, Commissioners Gloria Kraus and Norman F. Parker, Engineer-Manager John Keir, Acting-Secretary Joanne Turner.

The minutes of the previous meeting of May 27, 1982 were read. Commissioner Parker made a motion to accept the minutes with corrections, seconded by Commissioner Kraus. All voted in favor, minutes approved.

Payroll Voucher Number 11 in the amount of \$18,760.97 and Material Vouchers Numbers 295 through 345 in the amount of \$17,553.58 were presented to the Board for payment. Commissioner Kraus made a motion to accept the vouchers for payment, seconded by Commissioner Parker. All voted in favor, vouchers signed.

Permits were presented to the Board at this time. General Telephone to bury cable along Wilcox Bridge Road, Military Road, Beaver Road, Peninsula Blvd., Cedar Street and Pioneer Road. Seismic Delta for seismic exploration in Beaver Creek Township. All permits were reviewed and signed.

Andie Neilson, Chairman of Roads and Bridges appeared before the Board regarding the time schedule for the proposed construction project on Pore Cheney Road. Mr. Neilson was advised that this project had been postponed because of higher priority needs on other primary roads.

Engineer-Manager Keir presented the State Maintenance Contract the Board's signature. Commissioner Parker offered the following resolution and moved for its adoption.

Be it resolved that the County Trunk Line Maintenance Contract between the Michigan Department of Transportation and the Board of County Road Commissioners of the County of Crawford for the period January 1, 1982 to December 31, 1982 is hereby accepted and John M. Keir is designated as Maintenance Superintendent on sections of State Trunk Line Highways and John M. Keir on Bridges; said Trunk Line Highway sections and bridges being as indicated on Budget Sheets.

The Board of County Road Commissioners hereby authorize Chairman Grover Cason, Commissioner Gloria Kraus and Commissioner Norman Parker to sign the said maintenance contract. Supported by Commissioner Kraus.

Adopted: Yeas: Cason, Kraus, Parker.

Nays: None

Bill Joseph appeared before the Board at this time inquiring about signs for a private road.

A request to purchase some surplus equipment was received which will be put up for bid in the near future.

The Board reviewed the specifications for trucks. The Board advised Mr. Keir to proceed with the bid procedure.

Being no further business, a motion was made and supported to adjourn. All voted in favor, meeting adjourned.

June 18, 1982

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Cason presiding. Present were: Chairman Grover Cason, Commissioners Gloria Kraus and Norman F. Parker, Engineer-Manager John Keir and Acting-Secretary Joanne Turner.

The minutes of the previous meeting of June 4, 1982 were read. Commissioner Kraus made a motion to accept the minutes as read, seconded by Commissioner Parker. All voted in favor, minutes approved.

Payroll Voucher Number 12 in the amount of \$20,919.29 and Materials Vouchers Numbers 346 through 350 in the amount of \$10,211.86 were presented to the Board for payment. Commissioner Parker made a motion to accept the vouchers for payment, seconded by Commissioner Kraus. All voted in favor, vouchers signed.

General Telephone submitted three permits to bury cable along Airport Entrance Road, Headquarters Road and to replace cable on Hartwick Pines Road. The permits were reviewed and signed.

A letter was received from Grayling Township Supervisor Bernie Fowler, regarding construction cost participation.

Engineer-Manager Keir informed the Board that the next Vacationland Meeting is to be held June 24, 1982 in Standish, Michigan.

A discussion was held on liners for the brine well dikes. Additional quotes will be sought.

The need for centerline and edgemark painting on new construction was discussed. Mr. Keir is to obtain cost estimates for the next meeting.

A letter was read and reviewed from Garland Joyce regarding Cedar Street.

The Board was informed that Central Paving Company of West Branch was the apparent low bidder for F.A.S. Projects on County Road 612 and North Down River Road.

Being no further business, a motion was made and supported to adjourn. All voted in favor, meeting adjourned.

RIPPLES DON'T  
CHANGE A THING

Ripples do not move water—they are only the marks of a momentary disturbance. Neat, orderly, symmetrical as they appear—they're just the remains of a splash.

How often we've tried to make waves—and they turned out to be merely ripples. Our efforts brought no new flow of thought or action. We simply interrupted the tranquility. Or was it the stagnation?

There are new currents stirring today—positive, refreshing, hopeful currents. There are reverent, responsive people who believe it can become a better world.

Why don't you join the folks who are tired of making ripples who when they see a need or a problem plunge in to help?

You'll find many such people exploring the spiritual wells and springs. Their earnestness and enthusiasm is giving renewed energy to our churches. They would like to share with you their Christian opportunities and challenges.

said. "He could go one to win more of these things (the AuSable marathon) than anyone else."

Sawyer, who won eight times between 1956-1968, also won his first title at the age of 19 so the stage could be set for a long and interesting race for the all-time title

## Masons To Meet

intendent in his decision-making process as he develops a recommendation to the Board of Education for a final candidate to fill the position. The third stage will involve an interview with the superintendent.

Any current student in grades 9-12 and any parent of a current student in grades 9-12 is invited to apply for a position on the interview committees. Four students and four parents will be selected. Applications for committee membership may be picked up at the School Board and Administration Offices at 403 Michigan Avenue any week day between 8:00 and 4:00. Applications must be returned by 3:00 Thursday, August 5 and those selected to serve will be notified by phone or mail on Friday, August 6.

All committee members must be able to attend all interviews on August 11. The interviews will begin at 9:00 a.m. and will be held each hour throughout the day until 4:00. A final wrap up meeting will be held with the superintendent at 7:00 p.m. In addition, committee members must be able to attend an orientation meeting at 8:00 a.m. on Thursday, August 10, to prepare for the interviews.

The Stocktons were 50 seconds ahead of the record pace at Alcona Dam, well past the midway mark in the race, and Brett said they might have had a chance at the record except two short-cuts normally open to the racers were blocked off. The first short-cut, at Spider Creek, was blocked off by the DNR a week before the race and Brett said in previous years the short-cut would take about 4½ minutes off the final time. Below Foote Dam, a cut that usually saves three minutes was nearly dry when the Stocktons tried it. Brett said water was let out of the dam but it reached the cut too late for the Stocktons. He said racers coming down a half hour later used the cut off.

The AuSable race was the fourth victory in Michigan for the Stocktons this year. They won at Detroit-Windsor, Grand River, and Manistee River as well.

Baker, 39, of Grayling, came in second behind the Stocktons in his bid to win the marathon three years in a row. The crafty veteran suffered some broken bones this year and didn't have as long to train but still managed to stay close enough where one mistake by the leaders may have been costly.

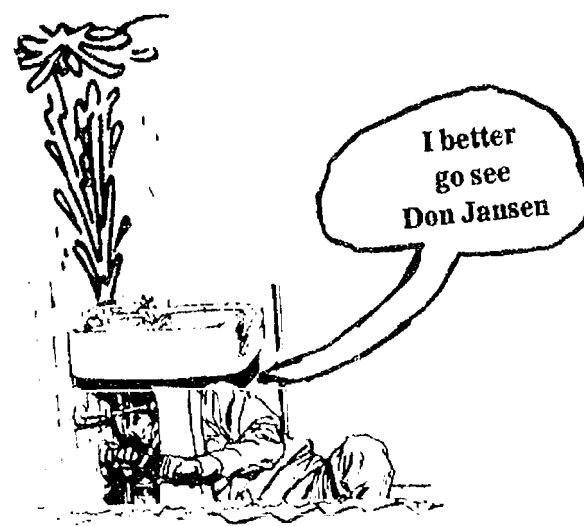

Taking third place for the second year in a row were Dave Shepherd and Jeff Kolka, both from Grayling. They finished in 15 hours, 10 minutes, and 46 seconds. Jeff and Jerry Kellogg finished sixth at 15 hours, 34 minutes, and 45 seconds.

Allen Carr, Jr., of Grayling, was the only other local racer to finish. He came in 12th with Al Robinson, of Grosse Ile, at 16 hours, 52 minutes, and 33 seconds.

The Stocktons, sponsored by Ray's Canoe Livery, picked up a \$1000 check for winning. Only 26 of the 41 teams in the pro and amateur divisions finished the race sponsored by the Grayling and Oscoda chambers of commerce.

Jim Myers and Forest Haines, of Adrian, won the amateur race for the fifth year in a row with a time of 15 hours and 56 minutes.
